## Oh Irish Pub

A            A            D            D  
Oh Irish Pub there's Guinness and I like it  
A            A            D            D            A  
Whenever I can, I drink till I die ... shit.  
A A A  
Oh my Irish Pub.

Drink ich the Guinness as long as I can  
Waiting for the moment I see doppelt ... and then.  
Calling for the doctor to reanimate me,  
But he's bringing me back to my wife and family.

Oh Irish Pub ...

Dancing on the table is Ferdi's desire,  
In Armstrongs Pub he's getting higher and higher.  
With a kilt around his hip\* he is dancing very wild,  
And when the table break's together, he's crying so wild.

Oh Irish Pub ...
